Mr. and Mrs. Simon Bell
3924 Donna Drive
Huntingdon Valley, PA 19006-2439

Dear Mr. and Mrs. Bell:

Thank you for your recent gift to The Children's Hospital of Philadelphia from Alan's Legacy. The \$5,000 you donated to the Buerger Center Fund will help provide CHOP caregivers the resources they need to do everything possible for sick and injured children.

Children's Hospital is always seeking the innovations that will make today's excellent care even better for future patients, and philanthropy is an instrumental reason that is possible. From pediatricians fashioning the standard of primary care to researchers discovering new treatment possibilities, CHOP staff members are passionate about the work they do, and your giving tells me you share that dedication.

To ensure we are providing the best patient experience for children being treated as outpatients by the Hospital, CHOP is building the Buerger Center for Advanced Pediatric Care across Civic Center Boulevard from the Hospital's main campus. The Buerger Center will change the way outpatient care is provided, grouping specialties based on what children need and encouraging communication and innovation among different specialists. The Buerger Center is being made possible thanks to generous donors like you through the Building Hope campaign. If you are interested in learning more about the center and the campaign, please visit www.chopbuildinghope.org.

Thank you again for your generous gift to Children's Hospital. Your support is what makes CHOP the best children's hospital in the country.

Sincerely,
