

Thank you so much again for this amazing honor. I have heard so much about Alan and what he stood for. I have heard alot from the great staff at Lower Moreland, especially Mr. Tamaccio, as well as your inspiring website. For me to be characterized with Alan Bell is a big accomplishment in my life. I had no idea how much of an impact I made to our community, but I'm glad I did because without our community I am not sure I would be the same man I am today. Thank you so much for this award. I couldn't have asked for any other award that would mean as much to my heart as The Alan Bell Memorial Award. Thank you again.
